Umpire in Chief Report: April 29th. If you are interested in attending, please let Carl know asap. It is being held at the Fergus High School. Registration is from 8 to 9, and the clinic will from 9am onwards. Currently we are sitting 19 - level 1's, 15 - level 2's, 31 - Jr/Intermediate. After the clinic Shirley will send out a list of all the Intercounty Umpires.

New Centres:

Brussels (James) presented. He has an Atom Girls division and likes the rules that the atom girls are bringing forward.

Tara (Curtis) presented. They have an organization that is growing and looking for a spot to go with the girls, he is bringing in one team this year, the Atom Girls. Questions:: Do umpires need to be carded, yes - at least a level 1. Tara is currently 1 ½ hrs from Elora up by Port Elgin. With no problems, both centres have been accepted into ISA. Welcome from all of us.

Trophies/Medals: All trophies were returned by this meeting. Thank you everyone! All trophies were sent with convenors/centres, please don't have the trophies go home with the individual teams, the convenor is to bring back to ISA in September. ISA will provide medals/medallions/bracelets/etc for year end tournament. We will order accordingly once the numbers have come in from the convenors, by second Sunday of June.

Other Business:

1. Port Elgin (Lynn) made a presentation about using a bigger plate for the Atom Girls division. It makes a bigger target for the pitcher to use. It gives fewer walks. It allows for more hits. And as the ump's are already generous with their strike join, this just helps with the visual.
2. Coaches Clinic on May 6th, we have 11 people registered and space for 14 more. It is being held at the Fergus Arena at 12:30, in the upstairs Room. The program is Drills/Drills/Drills (same as last year). Any questions please be in touch with Shirley.

Next Meeting is September 24th at 1:30 at the Elora Legion.
