

ISA Meeting April 2018

Welcome from Steve Warmington, even after the switch of dates, it is greatly appreciated that everyone made the effort. Just a reminder to all - the qualifications to players has changed to 50% play of games. And when a coach/pitcher is hit in three pitches/Mites, they get one base accordingly. (this only applies to Mixed Mites). All the associations have decided to keep the Atom girls rules as is this year.

(Carl has said that if you are an adult, with a level 2, you don't have to attend the clinic annually, every other year is fine, on the off year, you take the test on line.)
