

ISA Meeting Minutes

September 14, 2025

Welcome

Ruth Risidore welcomed everyone to the ISA year-end meeting.

It was a better year this year compared to last year. Rules are there for a reason, we need to follow them. There was concerns brought forward about the game times (starting before 6:30p.m.) and also when Convenors were letting teams know the schedule for Year-End tournaments. Game reports should go back to be coaches using batting order
